## Out to Lunch

Carry your lunch in style in this roomy little handbag. A zip-around gusseted closure provides easy access to the contents of the bag. Two outer slip pockets and two interior mesh pockets hold an ice pack, napkins, silverware and more.

ByAnnie's Soft and Stable gives great stability, provides insulation for the contents, and ensures that the bag will look great after repeated use/laundry.

Pack a waste-free lunch using reusable snack bags. A great alternative to plastic bags and wraps, the bags can be machine washed and dried and are the perfect fit for a sandwich or hearty snack.
